

Manuscript Submission Checklist for Authors

1. General guidelines

- All authors ensures that the contents of the present manuscript have not been published nor intend to be published in other journals.
- Copyright signed by the corresponding author on behalf of all co-authors.
- Conflict of interest disclosure form was completed.
- Manuscripts as .doc(x) files.
- The manuscript formatted as follows: A4 paper, 12 point font, 1.5-spaced
- An original article should be presented in the following order: title page, abstract, introduction, materials and methods, results, discussion, conclusion, acknowledgements, references, tables, figure legends, and figures.
- Acronyms and abbreviations when used are defined where first used followed by the acronym or abbreviation in parentheses.

2. Title page

- Include title of the thesis, the running title (within 8 words), and the name of the principal and other authors, along with current positions.
- Contact information (address, phone, e-mail) of the corresponding author and the source of any research funding at the bottom of the page.

3. Abstract

- Keep the maximum word count of abstract according to the type of article.
- Three to six index terms at the bottom of the abstract.
- All manuscript pages numbered consecutively beginning with the abstract as page 1.

4. Main text

- Ethical statement regarding approval of an institutional review board and/or animal experiments mentioned in the 'Materials and Methods' section.
- Names and locations (city and state only) of manufacturers of equipment and non-generic drugs are given.
- All statistical methods accurately described in detail.
- Conclusion stated in a separate paragraph under the 'Conclusions' heading.

5. References

- References listed consecutively in the order in which they appear in the text on a separate page.
- Compliance with 'Neurointervention' quotation styles.

6. Table

- Arabic numerals employed for tables.
- Title of the table stated in the form of a paragraph or sentence.
- First letters of nouns and adjectives capitalized.
- Tables numbered in the order in which they are cited in the text.
- Abbreviations defined in an explanatory note below each table.
- Explanations for and abbreviations used in tables included as footnotes.
- Each table given on a separate page with its own title.

7. Figures

- All figures in BMP, JPG, or TIF format, submitted separately from the text.
 - Electronic photographs with resolution of at least 300 dpi.
-
